

IBM CLOUD SERVICES

TEAM ID: PNT2022TMID11013

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Marian Roshan's Account). The main content area is titled "Dashboard" and features a "For you" section with several tiles. These tiles include "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a web app with Watson 5peech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get started with Watson Discovery" (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code), "Build with Watson" (Chatbots, insights, recognizers, and more. Explore the AI platform for business), "Smart Document Understanding Demo" (Check out this Smart Document Understanding demo to learn how this powerful feature allows you to visually apply structure to your documents), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project), and "Use Knowledge Studio" (Use custom machine learning models to train and test). Below the "For you" section, there are four more tiles: "News" (IBM Cloud Satellite New Pricing, IBM Cloud Data Shield Deprecation, IBM Watson Orchestrate Is Integrating with The Way Global, SLSA Support in IBM Cloud Continuous Delivery), "Recent support cases", "Planned maintenance" (Clear skies! You can view your scheduled maintenance events here), and "IBM Cloud status" (No issues). The bottom of the screen shows a Windows taskbar with the date and time (08:14 PM 11/17/2022).
